

# CAVES TRIP

JUNE 15TH - JUNE 19TH

## AN UNFORGETTABLE EDUCATIONAL AND ADVENTURE EXPERIENCE TO MAMMOTH CAVES!

Embark on a multi-day adventure at Mammoth Cave National Park where students will explore the world's longest cave system, uncovering unique rock formations and underground ecosystems while learning about the park's rich history. The journey includes river kayaking through scenic waterways and an aerial obstacle course that challenges agility and teamwork. Evenings are packed full of fun with bowling, games, swimming, and outdoor stargazing. A stop at Buc-ee's adds a fun twist with its renowned snacks and souvenirs. This trip combines education, adventure, and camaraderie, offering students an unforgettable experience as they step outside their comfort zones and make lasting memories.
